APPLE TEN FRAME
BUILD IT FUN
Differentiated, Self-Correcting and
Aligned to COMMON CORE

Created by
A Differentiated Kindergarten

These are your game cards. Laminate and cut each card apart. You will fold on the dotted line and secure with a paper clip or a clothes pin. These cards are self correcting. Then they build the number with small apple manipulatives, red bingo chips or the apple cards included here. When they are done, they open the playing card to see if they are correct.
