Bee On The Look Out For Sight Words

This differentiated Dolch Word activity is tiered to meet the various readiness levels of all your students. There are 3 different I-Spy pages for 3 different Dolch Word lists. Each page has 20 tiny words hidden in the picture. Students use a magnifying glass to find the hidden words in the picture and write the words down as they find them. When they have found all the words, they read them to a partner.
