

The following preview will provide you with a SAMPLE of some of the activities available in this packet. Please remember that this is just a sample. There are so many differentiated tiers and versions of this 130 paged document, I just couldn't fit it all in one preview. If you have specific questions, please contact me at:

# Silly Stories and Write the Word Wall

Name: \_\_\_\_\_  
**A Silly CH Word Story**

One chilly day after church, a chick named Chester went to Chuck E. Cheese's for lunch. He and his friend, a champ named Chasler, wanted to chomp on chips and cheese. As they chuffed over their desserts of chocolate shakes with a cherry on top, they decided to check out the local beach to watch the chip-up challenge. Their two cheerish friends from Cleo were going to be there. The two cheests, Chuck and Chig, would meet them on a bench near the chip-up bar so they could see who would be named the champ. The match was very close. But in the end, the champ was named. It was their friend, Ch-Ole, the Chihuahua. They all cheered for Ch-Ole and treated him with peach punch.

Write on the story and highlight all instances of the words with the CH sound. Record how many CH words you find in the space below. Show a picture to go with the story below.

# Everything Else

## Linking Cards!!!!

Linking Letters for Digraphs: Use these letters to link together to either write the word family word or to create words using the onset and the rime. In other words, I like to give my students the picture card and have them link the letters together (individual letters or the onset and rime) to produce the word. I also give them letters and the rime and have them create words, sorting and writing the "real" and the nonsense words they produce. (Use the Real/Nonsense word family word sort/recording sheet for this. I also use these rime cards to label my Mr. Munchie Mouth sorting can.

**Oh Word Hide or Seek!** This activity gives your students an opportunity to practice reading digraph words while playing a fun interactive game. Place word family word cards in a small pocket chart. Behind one word card hide the picture above. Students then point at and read a word where they believe the picture is hidden. To hide the card next. You can use cards family or just one word family.

**You are a thief**

Steal a card from every player.

**Make A Wish**

Go Again.

**Forget To Take Out The Trash**

Lose a turn.

**Finish Line**

Play until everyone counts your cards.
