

148 Pages

Christmas Color and Count and Compare: Count the objects on the mat and record your answer.

Deck the Halls with Number Fluency: Name numbers quickly and fluently to beat the clock or better your score.

Merry Christmas Number Order Fun: Pick 3 cards and put them in order from smallest to largest. Write the numbers.

Count and Record: Count the objects and record your answer.

Number Order Fun: Pick 3 cards and put them in order from smallest to largest. Write the numbers.

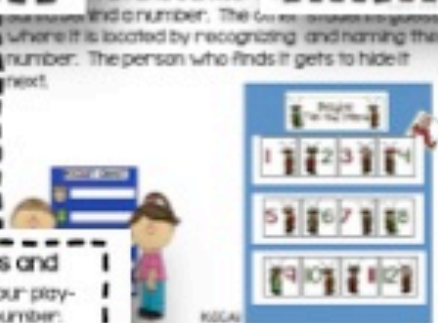

Number Order Fun: Turn cards over. Take turns turning over numbers. If numbers match, keep them and go again.

Trim The Tree with Linking Chains: Use plastic linking chains to put the numbers together from 0 and continue on.

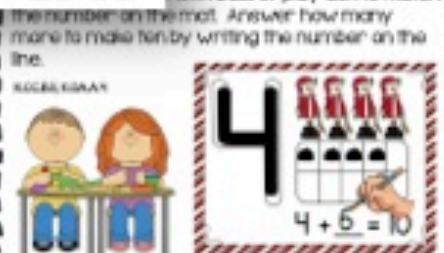

Number Hunt: Find a number. The person who finds it gets to hide it next.

Santa's Number Game: Place cards on the playing mat. Spin the spinner to see if the bigger or smaller number wins that hand.

Play-doh Mats: Roll your play-doh into a snake and use it to make the number. Use the mats to match the number on the mat. Answer how many more to make ten by writing the number on the line.

Number Order Fun: Students take turns drawing a bucket. If they name it correctly, the card goes back in. If not, the card goes back in some special cards to make.

Christmas Addition Fun: Use the playing mat. Use the number cards to solve and write the answer.

Sizing Up Christmas: Use the tools to measure. Use the tools to measure. Complete the response sheet.

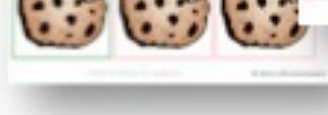

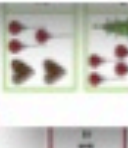

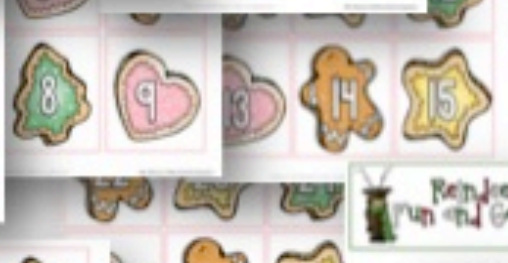

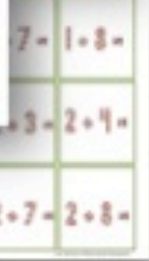

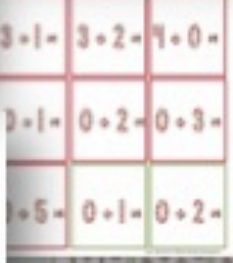

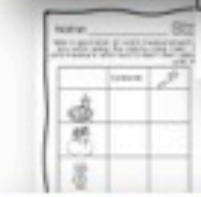

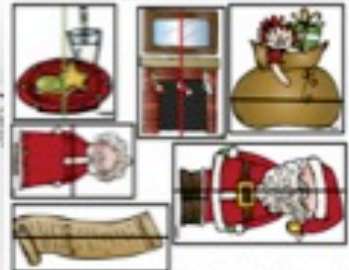

Number Hunt: Solve the problems. Be the first one to find the matching number on the mat and yell "YATTA!"

Number Order Fun: Pick a card and count the items. Be the first one to find the matching number on the mat and yell "YATTA!"
