

This set of CVCe production game cards, combine and cut each card apart. You will find each card printed on one side with a paper clip or a clothespin. These cards are self-correcting. Students place a card on their work production mat. They can produce the word in the middle work space, give to using letter beads, magnets or whatever you choose. Check they make the word, then they write it on the line provided. Now, it's time to check their work. Simply remove the clothes pin to reveal the answer.
