All Leprechauns Welcome

Delighted Kindergarten

All Leprechauns Welcome

Delighted Kindergarten

Will there you have it? Another year another class and still... No one is quite smart enough to catch a leprechaun. Oh I heard of a few people who say they have, I heard it all, you were looking for one and planning how you would be spending the gold. I heard everything, I have to admit, your traps were pretty clever as far as traps go but you know it's not an easy thing to catch a leprechaun. But don't let me lead I will be leaving with my gold. I tell a very old lady for all she has a little something but I'll be leaving with your mine on it. Don't be looking any treasure but not yours or the luck of the Irish will be gone with it. Please and you don't want that. Listen me. Oh and I may have left a couple of traps too. Did you know you got to live in the forest for all the mischief and leprechaun. It's only because I love all of you like babies and loaves. Please be as good as you possibly can and remember to be around again now and then to check on you.

Old man St. Patrick's Day! Thanks
Theresa
