

Introducing the -oke family

For this activity you will need a copy of the story 'The Dragon and the Knight' and a copy of the 'oke family' word cards. The children will be asked to read the story and then to match the words to the pictures. This is a great activity for the beginning of a unit on the 'oke' family.

Write the words on the cards and cut them out. The children can then match the words to the pictures. This is a great activity for the beginning of a unit on the 'oke' family.
