These are your game cards. Laminiate and cut each card apart. You will fold on the dotted line and secure with a paper clip or a clothes pin. Three cards are self-correcting. A student places the card on their "read bead" mat, and they bring the letter beads they find in the word and then write the word. Once completed, they can open the card to reveal if they are correct.

DifferKinder

I can ...

1. I can choose a card, read it and break sounds apart.
2. I can string a letter to make the sounds.
3. I can write the sounds I hear in the word.
4. I can check my work to see if I am correct.
