Classroom Posters

There are many words from which you can choose from in this packet to add to your word wall. You definitely do not need to use all of them. Use only the ones that are appropriate for your class. There are two options for posters. You can choose to have a full size word blend poster and use the long thin word cards that follow and mount them with painters tape like did with these word family posters below.

Or you can choose to use the half page size with the smaller word cards and place them in a pocket chart for the week you are using them.

Classroom Posters

Then you can transfer them to your wall or take the word cards and move them to a ring and make them available in your writing center or under/near your word wall for easy reference.

Say It-Make It-Write It Read-It-Check-It

Each blend unit includes a set of self-correcting cards for that blend. There are two different mats to choose from depending on the readiness of your students. Students use the self-correcting cards to make this station independent. You can use a variety of materials to extend this station. The 'Make It' section can use magnetic letters, wikki stix, playdoh and letter stamps or beads. Be creative with your materials to keep this station interesting. As you introduce more and more blends, this station will grow with it and provide tons of word work practice.

There is also a Read-It-Check-It option for students who need practice reading the blend and checking to see if they read the correct word.

A Silly SL Word Story

Sam is a sloth. A sloth is slow and likes to sleep. Sam has a pal, Sid.

Sid is a slug. Sid is slow, too.

Slugs like Sid slip on slime. When Sid and Sam play, they like to ride on a sled. They go slow so they will not slip. If they slip, they may have to put on a sling.

Highlight or underline all the words in the story above with the SL sound. Record how many SL words you find in the square above. Use the lines below to answer the question:

Do you like to go slow or fast on a sled?

Linking Cards!!!!

Linking Letters for Blends: Use these letters to link together and write the blend word. I like to give my students the picture card and have them link the letters together to produce the word. I also give them letters and the blend and have them create words, sorting and writing the 'real' and the nonsense words they produce. (Use the Real/Nonsense blend word sort recording sheet for this.) I also use these blend cards to label my Mr. Munchie Mouth sorting can.
