LUCKY WORD

Write the words you find in the pot of gold.

Rainbow's End Students take turns drawing a card from a basket or bucket. If they draw the word, they keep it. If not, the card goes back into the bucket. There are some special cards that play more fun.

Looking For Gold One player hides the pot of gold behind a word. The other students guess where it is located by recognizing and naming the sight words. The person who finds it gets to hide it next.
