Small Playing Cards

These are playing cards are used for memory, matching, and other activities.

UT Family Sorting

Sort the cards into cards that are part of the UT family, write words that are part of the UT family under the pictures up and down under the picture that they belong to.

Classroom Posters

Or you can choose to use the self-page size with the smaller word cards and place them in a pocket chart for the word cards as they are using them. Then you can transfer them to your wall or use the word cards and place them in a pocket chart for the word cards as they are using them.

Write The Room

Laminates, cut apart, and mount the write the room cards below with taping tape around your room. Based on your students readiness level, select a recording sheet for them to use. You may either laminate these (my preferred method) or print them off to use with a pencil if you prefer. Hand your student an clipboard and have them search the room for the word family pictures. For students who have HGT progressed towards mastering their letter sounds quite yet, I have them write the words from the word wall for practice (see "write the word wall" response sheet).
